TO WHOM IT MAY CONCERN

The associate, for whom the attached employer statement forms provided, is a permanent employee of Cognizant Technology Solutions India Private Limited ("CTS India"), with its corporate seat in India. CTS India has seconded the employee to Cognizant Technology Solutions Benelux B.V. ("CTS Benelux") in the Netherlands.

CTS India and CTS Benelux are both part of the Cognizant Technology Solutions group of companies, which is based in the United States.

Based on the fact that the associate is not formally employed by CTS Benelux, but by the group company, we have not ticked the box 'permanent employment' even though the employee in fact is permanently employed by CTS India.

The period of secondment of the employee to the Netherlands is dependent on the visa regulations, business economics and the employee's performance. At the moment, CTS Benelux nor CTS India has any intention to shorten the intended stay of the employee in the Netherlands.

Thanking you,

Yours Faithfully,
For **Cognizant Technology Solutions India Pvt Ltd.,**
